

HalfLyte Bowel Prep

THE DAY BEFORE YOUR COLONOSCOPY:

STEP 1.

In the morning mix solution and place in refrigerator.

- Add lukewarm drinking water to top of line on bottle.
- Cap bottle and shake to dissolve the powder. Add a flavor pack if desired.
- The reconstituted solution will be clear and colorless and may be refrigerated.

(Must be used within 48 hours.)

STEP 2.

At _____ pm take both tablets inside of box.

- Take all bisacodyl tablets with water.
- Do NOT chew or crush.
- Do not take the tablets within 1 hour of taking an antacid.

STEP 3.

At _____ pm begin drinking the solution.

- Drink 1 (802) glass of solution every 10-15 minutes for a total of 8 glasses.
- Drink each glass quickly rather than drinking small amounts continuously.
- Drink **ALL** of the solution.

*NOTE: Do not take any other medicines within 1 hour of starting to drink the solution
